## STEP 8

The screenshot shows a mobile application interface with a red header bar containing a back arrow and the title "Communication". Below the header, there is a section titled "Group (B)" with an empty text input field. A paragraph of text follows: "[Activity allotted to the students will be on first-cum-first basis.]"

Below the text is a checkbox, which is highlighted with a red square. An arrow points from a callout box to this checkbox. The callout box contains the text "Click 9" and "Tick ✓".

Below the checkbox is a long paragraph of text: "I am aware and understand that depending upon the total number of students eventually opting for different activities offered in either of the above activities, the School may need to remove or add one or more activities with a view to bring about an overall balance. I am also aware that Costume & Equipment's for Gymkhana Activity will be charged separately. The activity chosen will ordinarily remain unchanged for the duration of the academic year."

Below the paragraph is a blue "Submit" button, which is highlighted with a red square. An arrow points from a callout box to this button. The callout box contains the text "Click 10".

At the bottom right of the screen, there is a red circular menu icon with three horizontal lines and a grey upward arrow button.

At the very bottom, a red footer bar contains the text "@Copyright 2026 Powered By MICM Net Solution Pvt. Ltd."
